# Motivation

- Beamer cannot produce tagged, accessible PDFs.
- Typst can.
- This deck exercises the conversion pipeline.

# Goals

- Convert plain decks end to end.
- Preserve sections, text, lists, and math.
- Copy included images unchanged.

# A Little Math

The quadratic formula:

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a} \quad (1)$$

and an inline relation  $E = mc^2$ .
